# x-ray

- Extrem allseitige Kollektion – verbindet zusammenhängend die einfache Designerform mit dem Hauptziel, das die Funktionalität und Haltbarkeit des Produkts ist.
- Extremely versatile collection – cohesively combines the simple and designer form with the main purpose of the product, which is its functionality and resistance.
- Ekstremalnie wszechstronna kolekcja – w spójny sposób łączy prosty i designerski kształt z głównym celem, jakim jest funkcjonalność i wytrzymałość produktu.

● Rückenlehne und Armlehnen aus thermoplastischen Werkstoffen in weiß oder hellgrau.

● Backrest and armrests made of thermoplastic materials in white or light gray.

● Oparcie i podłokietniki wykonane z materiałów termoplastycznych w kolorze białym lub jasnoszarym.
